

**GERBER<sup>®</sup>**  
2014 PRODUCT  
REFERENCE  
GUIDE

## BUILT TO LAST

Gerber is based in Portland, Oregon, USA, and is the flagship brand within the Fiskars Outdoor portfolio.

Founded in 1939, Gerber is an American icon with growing global reach and relevance. Over 200 employees fill our headquarters each day making problem-solving, life-saving products designed with the needs of specific end-users in mind.

Gerber's preeminent products span a range of activity-based categories including Outdoor, Survival, Hunting, Tactical, Industrial and Essentials. And our partnership with survival expert Bear Grylls and development of the Bear Grylls Survival Series in recent years created an entirely new category of Gerber products, changing the game in the Survival products marketplace.

Whether it's a knife a multi-tool, or a variety of groundbreaking outdoor gear, Gerber products are always tough, innovative and trusted.

# FISKARS®

Gerber joined the Fiskars Group of brands in 1987. Fiskars is a leading global supplier of branded consumer products for the home, garden and outdoors.

Fiskars products are renowned worldwide for their functionality and cutting-edge design, and the group boasts a strong portfolio of trusted international brands such as Fiskars, Iittala, and Gerber. Fiskars' associated company, Wärtsilä Corporation, is also an important part of the group.

Fiskars is listed on NASDAQ OMX Helsinki and employs some 3,600 people. Founded in 1649, Fiskars is Finland's oldest company and one of the oldest companies in the world.

The Fiskars Group is led by its President and CEO, Kari Kauniskangas, who joined the company in 2008.

## ACTIVITY FOCUSED

We design, develop and market products in Activity Categories based on the needs of specific end-users.

Each Activity Category includes a wide range of gear, all designed to address the unique needs of that activity.

To differentiate products, each Category has a unique icon, pattern, color and sub-brand mark, shown on the adjacent page.

Approaching our product development in this manner, gives us a focus and a sense of purpose that helps create the most innovative products available - for each and every need.

It's a consumer-first approach that has energized our organization and been embraced by both our consumers and retail partners the world over.

# ESSENTIALS

**FOR IN THE TRUCK,**  
the shop, or your pocket,  
Gerber Essentials are the tools  
and knives that get us out of  
unexpected jams every single  
day. They're the pocket-tools,  
multi-pliers and everyday  
carriers that we reach for over  
and over. Gerber builds them  
to be durable, lightweight  
and efficient.

**MP1™**

**NEW**

The result of more than 20 years' experience designing world-class multi-tools, the new **MP1** might very well be the most functional product we've ever made. We didn't design the Gerber MP1 Multi-Tool just to have the most components; we designed it to deliver the ones you need most often. And we made it from the best materials around, including forged steel jaws and G10 handles.

**MP1™** Overall Length 17.6cm Closed Length 11.1cm Weight 227g Steel Type Jaws 6150 Carbon Steel Blades 420HC Handle G-10 Sheath Polyester Forged Jaws G-10 Handles Bottle Opener Pry Bar Butterfly Opening Spring Loaded Jaws Large FE Blade Wire Stripper Diagonal Cutters Magnetic Bit Driver with #2 Phillips Driver Large Fully Serrated Blade Large Flat Driver Small Flat Driver Utility Blade Scraper Wedge Lock
