

LEATHERMAN®

For Real Life.

TIM'S STORY

TIM'S STORY

In 1976, while adventuring across Europe in a clunky \$300 Fiat, Tim Leatherman needed tools his scout knife didn't offer. He returned to the States with an idea for a multi-tool that would prepare him for any challenges life might present. Fast-forward eight years later, and the Leatherman tool was born.

Today, from our manufacturing facility in Portland, Oregon, we're continuing Tim's legacy of preparing folks for the expected and unexpected. We're proud of our mission, and it shows in every multi-tool and knife we make.

A close-up photograph of a person's hands using a multi-tool to start a fire. The person is wearing a dark blue jacket with green accents. They are using the multi-tool to strike a match or a piece of wood, creating a bright flame. The fire is burning in a nest of sticks and twigs. The background is dark and out of focus.

 LEATHERMAN

**FOR
REAL
LIFE**

Whether crafting, creating, repairing or rebuilding, it's amazing what you can do when you put your mind to it. All it takes is unwavering perseverance and the right tool in your hands.

Combine your creativity and abilities with an ingeniously designed Leatherman, and suddenly you are empowered and your level of self-sufficiency and the list of things you can accomplish skyrocket. Together, you and your Leatherman become a powerful force, ready to take on whatever arises in your everyday, real life.

And your real life looks different from everyone else's. It's shaped by your personal experiences, your environment, your aspirations, and the things you do every single day. But no matter how you define your real life, your Leatherman equips and prepares you with the confidence to take risks, go on adventures, tackle challenges, and flourish in adversity, all while creating an inseparable bond like no other.

WARRANTY

WEARABLES

The greatest tool is the one you have ready when you need it. Tread, our wearable multi-tool empowers you to solve everyday problems or respond to more critical situations, regardless of where you are, because everything you need is right on your wrist. Customizable, travel-friendly, and packed with useful tools to prepare you for anything, you'll soon wonder how you handled life without your wearable Leatherman.

WEARABLES

TREAD™

WEARABLE TOOL

A multi-tool that's worn on your wrist, the Leatherman Tread has a sleek, modern look that makes it stylish and functional. It's also adjustable up to 1/4" to fit any size wrist.

READY FOR ANYTHING

No matter the job, adventure or task, the Leatherman Tread gives you 29 different tools—made of durable 17-4 stainless steel—to solve any problem that arises.

GOES ANYWHERE

With the Leatherman Tread on your wrist, there's no need to be without your tools. Whether you're on the job, around the house or on a plane, it goes wherever you go.

OUTDOORS

These Leatherman tools were designed to take punishment from the elements and still keep the adventure going. Whether it's trekking through Kora La pass in the Himalayas, tightening the trucks on your board on the fly, or building your first survival shelter in scouts, Leatherman keeps you prepared with handy and necessary tools like saws, awls, and firestarters.

SIGNAL[®]

With a built-in firestarter, hammer, one-handed blade, and an emergency whistle, the Signal is ready to take on even the toughest of challenges Mother Nature has to offer.

TRADES

These Leatherman multi-tools were designed specifically for seriously tough jobs and the hands that do them, no matter the site or task. With precise engineering and professional grade features like stranded wire cutters, wood and metal files, and all locking tools, these powerhouse multi-tools give you the confidence to get the job done right.

SUPER TOOL® 300

The Super Tool has been one of Leatherman's most popular multi-tools. With the 300, you now have replaceable 154CM wire cutters, extra-long blades and more comfortable handles.
